

# PROSODIUM™

SUPPLEMENT FOR ANIMAL FEED

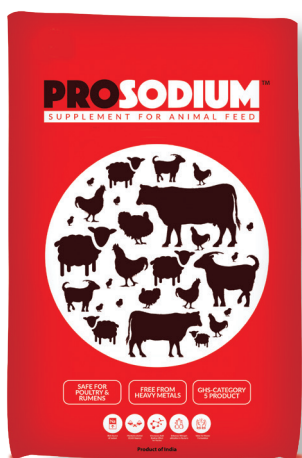

## Good for your Cattle. Great for your Business.

### Why PROSODIUM?

PROSODIUM is a premium feed additive that offers a range of benefits. It enhances the dairy performance by increasing milk yield and elevating fat and protein (SNF) content. It also supports the overall health of your ruminants by improving fibre digestion and nutrient absorption.

PROSODIUM in feed enhances N:S balance in ruminants. Incorporate **PROSODIUM** as part of your feed mix and give your ruminants and your business the boost they deserve.

### PRODUCT USPS
